

Circassian Circle (for as many as can make a circle)

Everyone come into a circle with your partner, remembering that the dark colours are always on the left.

Everyone in [8]

Roll forwards to meet in the centre of the circle.

And back [8]

Roll backwards to your places.

And in again [8]

Roll forwards to meet in the centre of the circle.

And back again [8]

Roll backwards to your places.

Darks in, lights stay still [8]

Dark colours roll forwards to meet in the centre of the circle.

Darks back again [8]

Dark colours roll backwards to your places.

Lights in, darks stay still [8]

Dark colours roll forwards to meet in the centre of the circle.

Lights back again [8]

Dark colours roll backwards to your places.

Everyone spin, finish facing towards the dancer on your ribbon side [16]

Turn on the spot to your ribbon (right), finishing facing the dancer on your ribbon side.

Follow your neighbour round [32]

The circle rolls round anti-clockwise to the right.

Everyone spin to finish facing into the circle [16]

Turn on the spot to your ribbon, finishing facing into the centre of the circle ready to start again.

AND REPEAT ...
